

Friends and Partners,

The dictionary defines **change** as a transformation, convert, modification, alteration, to become different, to transfer from one thing to another.

People say that change is inevitable. Change is constantly occurring in our individual lives and workplaces. Our looks, desires, dress and even our attitudes change as we grow older, become wiser, more compassionate or even more Godly. How we change is our choice. Our challenge is to understand the change process, while also managing it as a positive thing.

We need to understand and accept the fact that resistance to change is normal and not negative. We must also understand that many people resist change. In order to change anything that has to do with this ministry we need to first seek God's guidance and the guidance of our supporters.

For several years now LCM has struggled to just get by. A hand-full of people have supported this ministry every month which has paid the bills. Many of them have sacrificed much!

The problem is that I know God wants us to be more than just ordinary. We are to be so much more than just survivors. We are leaders, people that thrive in the goodness of God's glory. Ordinary lives are for people that do not know Christ as their savior. Please pray for LCM and all that assist us under that name, as we serve our Lord and make the changes needed to make us stronger and better equipped to serve our Lord.

Partners helping
us
change our
communities!

Instead of us moving to the east coast as some have suggested, we have dug in and reached out to even more. The east coast has Churches, individuals and other organizations that desire for us to minister with them, but God has us where He wants us!

Many of our wonderful volunteers labor to
disciple the youth into devoted believers.

Board Of Directors

We have a wonderful board of directors that love the Lord. They keep us accountable for how the finances of this ministry are spent. We operate with full accountability and transparency to our supporters and to the public.

We do not limit our assistance to any one faith, age, belief, denomination, race or gender. We consider it a privilege to serve the people of South West Florida that are homeless, addicted, troubled youth, prisoners and our veterans.

Please Pray For Us!

Love And Compassion Ministries started as a prison ministry and it is still one of our most important ministries. We have touched hundreds and hundreds of lives with-in the jail / prison system.

The Word of God desperately needs to be taught in the jail and prison systems, but we also need to minister to the ex-prisoner.

Housing an inmate in jail or prison costs thousands of dollars! To teach him about a wonderful Savior is priceless. When someone turns from their wicked ways and accepts Jesus Christ, they become a taxpayer and not a burden on society.

We Believe You Need To

LOVE THE SINNER ... HATE THE SIN

Love and Compassion Ministries works directly with numerous, wonderful, Christian drug and alcohol programs. We believe that without Jesus Christ it is almost impossible to be delivered from your addictions.

Many times we go to court and ask the judge to allow a person to complete a drug program rather than to go to prison.

We do our own evaluations of people who desire to stop living under the bondage of alcohol and drugs and help the ones that want the change in their lives! We do all we can to make sure that when we recommend a person to a program, that it's the right place, at the right time and that the person will be able to complete the program. Love and Compassion Ministries makes all the arrangements for the entry, including transporting the person to the program.

It is so nice to see the change in people's lives after completing a nine month or more, in-house Christian drug program.

All of our services and most of the programs are free to the client.

Bread Ministries

Twice a week for several years now Publix Grocery Store has provided Love And Compassion Ministries hundreds of wonderful bakery items from homemade bread to wedding cakes. We are so thankful for their willingness to provide such items to the needy. This ministry serves so many through three churches a week.

Rev. William Stewart, with a team of volunteers, makes this ministry what it is. We are serving the community through Publix. May God bless Publix, all that serve within this ministry and all the people that partake from the items.

This is a ministry that is so needed.

Need Prayer

Prayer requests are very important to us! We always need people who are caring and willing to personally pray for others' needs.

As we pray for people's physical, moral and spiritual needs, we must understand that because of Jesus Christ's love for all of us, we are able to do this. Christ is the answer to every human's needs.
